ATTACHMENT 4.A.E. Availability of Maps for Federal and State Waters

a) USGS topographic maps
   - available for purchase from USGS.

b) USFWS National Wetland Inventory (NWI) Maps
   - available for purchase by contacting the US Department of the Interior at 1-800-USA-MAPS.

c) DEC/APA Freshwater Wetlands and DEC Tidal Wetlands regulatory maps
   - available for review at the appropriate DEC or APA regional office or the office of the clerk in which such wetlands are located. DOT Regional Environmental Units have been provided copies of these maps in GIS format and they will be updated annually by EAB.

d) DEC Stream Classification Regulations/Maps
   - available for review at the appropriate DEC Regional Bureau of Fisheries office and can be obtained by contacting, in writing, the Regional Fisheries Manager (see Attachment 4.7.B.).

e) USDA SCS County Soil Survey Reports and Maps
   - available from County Cooperative Extension Offices.
