4.E  MISCELLANEOUS WATER/ECOLOGY
TECHNICAL GUIDANCE

Interim Project Environmental Guidelines

New Guidance Document

Planned Completion:  To be incorporated into a planned PEG entitled “Miscellaneous Water/Ecology Technical Guidance.” This interim guidance is to provide information on various Water/Ecology technical matters that are not included under the coverage of existing Chapter 4 topics.

Expected Completion Date:  February 2002

Responsible EAB Section:  Water/Ecology Section

The following guidance documents and resources are included here:

4.E.B.  ICOWET Conference Website  (see http://www.dot.state.fl.us/emo/sched/ICOWET.htm)

4.E.D.  FHWA Invasive Species Website  (see http://www.fhwa.dot.gov/environment/invasive.htm)

4.E.E.  USFWS Invasive Species Website  (see http://invasives.fws.gov/)

4.E.G.  NYSDOT Guidance on Nestbox Construction and Installation  (see http://www.dot.state.ny.us/eab/epm.html)

4.E.H.  Attachment List for NYSDOT Nestbox Guidance  (see http://www.dot.state.ny.us/eab/epm.html)

4.E.I.  Peregrine Falcon Information  (see http://www.salamander.com/~rrp/us.htm)

4.E.O. The Water Librarians Web links (see http://www.wco.com/~rteeter/waterlib.html#waterlinks)

4.E.P. EPA Stormwater Technology Fact Sheets (see http://www.epa.gov/owmitnet/mtbfact.htm)

4.E.Q. Extensive USGS Biology Links (see http://www.npwrc.usgs.gov/resource/taxout.htm#invert)

4.E.S. Extensive Grass Herbarium Image Library (see http://www.csdl.tamu.edu/FLORA/image/poacr2ba.htm)

Any questions regarding materials contained in this section can be directed to the Water/Ecology Section of the Environmental Analysis Bureau (518/457-5672).
