State of New York
Department of Transportation

PERM 33f

Application
for Filming on
State Highways

• A PERM 33f is required when the filming of a movie, commercial or similar event occurs on a State Highway and some aspect of the filming violates one or more laws regarding the normal use of the highway.

• A PERM 33f is not required for filming that take place entirely within the five boroughs of New York City.
INSTRUCTIONS FOR COMPLETING THE SPECIAL USE PERMIT (PERM 33f)

- Identify the date, time, and type of activity being filmed.

- Identify all Cities, Villages, Towns, and Counties where the filming will occur.

- Specify the location of the filming by State Route numbers/highway names, street names, etc., by municipality.

- State the Permit Applicant’s name and address. The production company/film producer is always the “Applicant”; the applicant may be an individual, Municipality, organization, or group. The Applicant assumes full responsibility for the event even if other organizations will be involved. The Permit will be issued to the Applicant, who will be responsible for complying with all of the terms of the Permit. Identify an Authorized Representative who will be the contact person.

- Provide information listed on Page 2 of the Application.

- Acknowledge permit terms and conditions; provide Applicant/Authorized Representative’s signature and date.

- Submit non-refundable Application Fee of $25.00. (This fee is waived if the Applicant is a not-for-profit group.) Please make check payable to NYSDOT.

- Please submit the original completed permit application to the proper address listed below a minimum of one month prior to the first day of filming. Keep a copy for your records. Upon approval, one copy of the application and an Approval Form will be returned to you; these will comprise the Special Use Permit.

Website (if applicable)

The following information must be submitted at the time of application, or a minimum of 1 month before start of filming:

☐ Operation and Safety Plan
   The applicant shall provide an Operation and Safety Plan which includes the applicable items from the Checklist on pages 5 and 6; attach the completed checklist.

☐ $25 Application Fee (this fee is waived if the Applicant is a not-for-profit group)
   Please make check payable to NYSDOT.

☐ Municipal Approvals
   The applicant shall provide written proof from each Municipality (County, Town, City, and Village) within which filming project activities will take place indicating that the Municipality has no objection to the filming taking place. This written proof may take the form of a letter, resolution, email, or other form. The applicant shall also provide the name of a contact person for each Municipality.

☐ Insurance Certificates (must be in Applicant’s name)
   The applicant shall provide documentation of required insurance, including Workers’ Compensation and Disability Insurance; see Item 7 of Responsibilities of Applicant for required insurance types and limits. (This requirement is waived for municipal applicants.)

Acknowledgment. On behalf of the applicant, I hereby request a Special Use Permit, and do acknowledge and agree to the Responsibilities of Applicant and obligations set forth in this permit and warrant compliance therewith. The attached documents are also made a part hereof and attached hereto:

Application received by:

Applicant’s Representative’s Signature   NYSDOT Representative’s Signature

Date  Date Received by NYSDOT
OPERATION AND SAFETY PLAN CHECKLIST

Please supply the following information or note as “Not Applicable.”

☐ Description of filming activity
- describe sequence of activities, including setup and cleanup
- describe any road/lane/shoulder/sidewalk closings and times and method of closure (e.g., signs, cones, barricades)
- describe all activities where participants will violate the normal “rules of the road” and all locations where traffic will be required to stop where no stop is normally required.

☐ Locations requiring traffic control for event
- list intersections where the existing type of traffic control (e.g., signal, stop, yield, no control) will be changed during the event and describe how normal traffic will be directed (e.g., police officer).
- provide sketches of all locations requiring additional traffic control during event, showing types and locations of all existing and proposed traffic control devices (e.g., traffic signals, signs, cones, striping, barricades)
- show types and locations of all event personnel (e.g., actors, camera operators, police officers, volunteers)

☐ Detours
- provide map of detour, show detour sign/police locations and any existing signs to be covered
- provide drawing of detour sign(s) showing text
- provide sign dimensions, color, size of text, type of sign material, and posting method

☐ List of Railroad Grade Crossings
- indicate whether grade crossing is active or inactive
- list existing traffic control at all active grade crossings (e.g., crossbucks, lights, gates, YIELD sign, STOP sign)
- list traffic control for event at all active grade crossings (e.g., police, RR flagger)
- indicate whether railroad has been contacted

☐ Pre-Event Public Notification
- list locations for signs or show on a map
- provide drawing of signs showing text
- provide sign dimensions, color, size of text, type of sign material, and posting method
- list locations or show on a map all Changeable Message Signs, provide pre-event text
- specify what day signs will be placed and when they will be removed
- describe any other type of notification (e.g., mailings, brochure, press release) being provided to the public

☐ Banners / Decorations / Props / Etc.
- Indicate if there will be any banners, decorations, props, etc, placed on or adjacent to the pavement. List type and locations.
- **Coordination**
  - describe any coordination with state/local police
  - describe any coordination with state/local highway agencies
  - describe any coordination with municipalities
  - describe any coordination with other entities (e.g. railroads, park agencies, private property owners whose property will be used for the event)

- **Event Day Communications**
  - describe communications system used by event personnel, marshals, volunteers, police, emergency personnel

- **Emergency Services**
  - describe how emergency services will be provided for event participants

- **Spectator Control**
  - indicate whether any special measures are being taken to control spectators (e.g., fencing, highway crossings)

- **Pavement Markings**
  - provide a sketch of each location where temporary pavement markings will be placed
  - describe material being used, and how and when it will be placed and removed.

- **Event Day Signing – for highway users**
  - list locations for signs or show on a map, note any existing signs to be covered
  - provide drawing of sign(s) showing text
  - provide sign dimensions, color, size of text, type of sign material, and posting method
  - list locations or show on a map all Changeable Message Signs, provide text

- **Event Vehicles**
  - describe the movements of any vehicles used in the event
Responsibilities of Applicant

1. Limitations on Use. The specific site identified in this permit, and only that portion identified, will be available for use by Applicant only for the purpose stated in this permit and only on the date(s) and for the duration designated in this permit. The authorization herein shall be only for the actual duration of the event.

2. Conditions of Use. NYSDOT makes no affirmation that the state-owned site used for the event has been designed, constructed, or maintained for the purpose of the conduct of the event. The Applicant assumes full responsibility for planning and conducting a safe and orderly event that does not expose participants or the public to any unreasonable hazards and that involves a minimal disruption of the normal uses of the state highway system. **It shall be the sole obligation of the Applicant to determine whether the site is suitable for the purpose of safely conducting the event.** The Applicant assumes all responsibility for assuring that the use of the highway/property conforms to applicable requirements of law, including, but not limited to those set forth herein.

3. Operation and Safety Plan. The Applicant assumes all responsibility for the set-up, conduct and break-down of the event. The Applicant assumes all responsibility for the control of the event site, and warrants that the site has been inspected, and that any perceived defects have been or shall be reported to NYSDOT and that adequate provision has been or shall be taken to mitigate and/or separate event participants from these perceived hazards.

*The Operation and Safety Plan must detail how the Applicant intends to (1) promote safety and (2) minimize the disruption of traffic.* To the extent of any closure on the state highway or the disruption of the movement of traffic proceeding along (e.g. lane and shoulder closures), entering, or crossing a state highway for a period of more than ten minutes, the Applicant shall provide and maintain a signed detour.

The Applicant shall consult with and coordinate the event with state and/or local police to determine such action as may be necessary to protect the public safety, security, or convenience, and incorporate all recommendations into the Operation and Safety Plan. **Notwithstanding any other provision of law to the contrary, no person or entity shall have the right to bring an action against the state or municipality or any person employed by the state or municipality who was acting within the scope of their authority for damages resulting from or in connection with the event(s).** The Applicant shall ensure that all participants obey any lawful order or direction (1) of any police officer that deviates from the Operation and Safety Plan before, during and after the event, (2) of any police officer, flag person or other person duly empowered to regulate traffic during an emergency, or (3) given by a federal, state, county or city official or any person acting as part of the civil defense forces.

4. Additional Conditions. The Applicant shall reimburse the State for all costs and expenses incurred in connection with the event authorized herein. A statement of such costs and expenses will be submitted to the Applicant within 30 days after the completion of the event. The Applicant shall make payment of this amount, if any, within 60 days after the completion of the event. NYSDOT is not obligated to provide any personnel to assist in the conduct of the event. NYSDOT will provide normal administrative assistance prior to the event in order to facilitate the conduct of the event in a safe and orderly manner.
Responsibilities of Applicant

5. Rail Grade Crossings. The applicant is responsible for ensuring the safety of event participants at all railroad grade crossings. The Operation and Safety Plan shall address rail crossing operations. For grade crossings where a train may cross during the event, the applicant must propose a safety plan.

6. Assumption of Risk. Use of the permitted site shall be in accord with the general authority of the State (where applicable) and applicable New York State Vehicle & Traffic Law sections so that although the participants are exempted from compliance with the usual traffic laws as detailed in the Operation and Safety Plan, they must exercise reasonable care.

7. Insurance Requirements. The Applicant shall provide NYSDOT with proof of insurance prior to the installation of any temporary traffic control devices or the commencement of the event, i.e. a certificate of insurance is required to maintain and provide proof that it has, in full force and effect, the following insurance coverages:

   (a) **Workers’ Compensation and Disability Insurance.** As required by State Finance Law §142 and Workers’ Compensation Law Section 57, the Applicant shall maintain in force workers’ compensation insurance for all employees. The Applicant shall also maintain disability insurance as required by the Disability Benefits Law of the State of New York.

   (b) **Commercial General Liability Insurance.** The Applicant shall maintain an occurrence form commercial general liability policy or policies insuring against liability arising from premises (including loss of use thereof), personal injury or death, advertising injury, liability insured under an insured contract (including the tort liability of another assumed in a business contract) occurring on or in any way related to the premises or occasioned by reason of the operations of the Applicant. Such coverage shall be written on an ISO occurrence form CG 00 01 12 07 (or a form that provides equivalent coverage) in an amount of not less than ONE MILLION DOLLARS ($1,000,000.00) per occurrence and not less than TWO MILLION DOLLARS ($2,000,000.00) aggregate. This insurance must be endorsed to provide coverage to “The State of New York/New York State Department of Transportation, any municipality in which the event is conducted, and any governmental entity whose facilities are affected by the event, or any of their employees or agents working for or on the event,” using ISO form CG 20 10 07 04 or a form that provides equivalent coverage.

   (c) **Automobile Insurance (applicable where automobiles or other vehicles will be used in relation to the event).** The Applicant shall maintain a commercial or other automobile policy or policies insuring against liability for bodily injury, death, or damage to property and other mandatory coverages, relating to the use, operation, loading or unloading of any of Applicant’s automobiles (including owned, hired and non-owned vehicles) on and around the site/event. Coverage shall be in an amount of not less than ONE MILLION DOLLARS ($1,000,000.00) each accident.
Responsibilities of Applicant

(d) Umbrella or Excess Liability Insurance. The Applicant shall maintain an occurrence form umbrella liability policy or policies insuring against liability arising from premises (including loss of use thereof), operations, personal injury and advertising injury, and liability insured under an insured contract (including the tort liability of another assumed in a business contract) occurring on or in any way related to the premises or occasioned by reason of the operations of the Applicant as described above. Such coverage shall be written on an ISO occurrence form CU 00 01 12 07 (or a form that provides equivalent coverage). In the event that umbrella coverage is unavailable, equivalent excess coverage may be substituted. The minimum required limits for the umbrella/excess coverage shall be sufficient to provide a total of not less than FIVE MILLION DOLLARS ($5,000,000.00) per occurrence/aggregate.

8. Indemnification: In addition to the protection afforded the State by the insurance provision herein, NYSDOT shall not be liable for any damage or injury to the Applicant, employees, event organizers and volunteers, or participants, or any other person, or to any property, occurring on the site covered by this permit or any part thereof associated in any way with Applicant’s use of the site. To the fullest extent permitted by law, the Applicant agrees to defend, indemnify and hold harmless the State of New York, NYSDOT, and their agents from and against all claims, damages, losses and expenses, including but not limited to attorneys’ fees, arising out of any claim for personal injuries, property damage or wrongful death associated in any way with the Applicant’s, or participants’ use of the permitted site(s), or in any way related to the event, no matter how caused.

9. Termination of the Permit. NYSDOT shall have the right, in its sole discretion, at any time to terminate this permit, or any portion thereof, should it be necessary due to operations or other reasonable need of NYSDOT, by giving written notice of termination of the permit. Any termination by NYSDOT shall in no way constitute or be deemed a breach of this Permit and no liability shall be incurred by or arise against NYSDOT, its agents and employees for loss of profits or any other damages.

10. Applicant’s Use of the Highway/Property. The Applicant shall exercise due care in its use of the site and shall upon the expiration, termination or cancellation of the issued permit, surrender the site in as good a condition as on the effective date of this permit, ordinary wear and tear excepted. The Applicant shall designate a representative to conduct both a pre-event and post-event field review of the event course with the NYSDOT Resident Engineer(s) to determine what damage may or may not have resulted from the event. The Resident Engineer is given the authority to determine if any of the post-event damage is required to be repaired.

11. Other Authorities, Rules, etc. The Applicant is specifically subject to the authority of all other applicable laws. For most special events, the Applicant must obtain approval from other authorities. The Applicant agrees to abide by and conform to such other guidelines, permit, ordinance, rule and/or regulation as may from time to time be established by NYSDOT and other authorities and shall be responsible for coordinating the event with such other authorities.

12. Agency’s Representative. The Commissioner of the NYS Department of Transportation, his/her designee, shall be, and hereby are, authorized to act for and on behalf of NYSDOT.
Responsibilities of Applicant

13. Promotional Materials. Any promotional materials shall be consistent with the provisions of this permit. NYSDOT shall in no way be represented to be a sponsor or organizer of the event. The Applicant represents that it has permission to reproduce any such materials, and will defend and indemnify NYSDOT for any damages NYSDOT may incur for the infringement of any third-party proprietary rights because of the use of such materials.

   (a) The Permit shall be deemed executory only to the extent of money available to NYSDOT for the performance of the terms hereof and no liability on account thereof shall be incurred by NYSDOT beyond moneys available for the purpose thereof.

   (b) The Permittee agrees to notify the Agency's representative about any hazardous or unsafe conditions and about any accidents that occur during the event immediately upon the discovery of such condition or accident.

   (c) The Permittee agrees to abide by all federal, state and local laws, ordinances, rules, and regulations in its use of the site hereunder.

15. Site Care and Restoration (if necessary and conducted by NYSDOT). An Undertaking, a bond or a certified check in an amount designated by the Department of Transportation may be required before a permit is issued, to guarantee restoration of the site to its original condition. If the Department is obliged to restore the site to its original condition, the costs to the Department will be deducted from the amount of the Permittee’s guarantee deposit at the conclusion of the work. The Permittee agrees to be responsible for any costs in excess of the Bond/guarantee deposit on file and will be billed directly therefore. If there is no Undertaking, bond, or certified check, a statement of such costs and expenses will be submitted to the Permittee within 30 days after the completion of the event. The Permittee shall make payment of this amount, if any, within 60 days after the completion of the event.

16. Costs Incurred by Issuance of this Permit. All costs beyond the limits of liability insurance, surety deposits, etc. are the responsibility of the Applicant. The State shall be held free of any costs incurred by the issuance of this permit, direct or indirect.

17. Legal. The privilege granted by the permit does not authorize any infringement of federal, state or local laws or regulations, is limited to the extent of the authority of NYSDOT and is transferable and assignable only with the written consent of the Commissioner of Transportation. The Commissioner reserves the right to modify fees and to revoke or annul the permit at any time, at his/her discretion without a hearing or the necessity of showing cause.
