Intrastate Non-Hazmat Carrier

A carrier that **ONLY** transports property or passengers from one point in a jurisdiction to another point within the same jurisdiction, excluding any interstate movement.

Interstate Carrier

A carrier that transports property, passengers or hazardous materials between or through two or more states or countries.

Intrastate Hazmat Carrier

A carrier that transports hazardous materials from one point in a jurisdiction to another point within the same jurisdiction, excluding any interstate movement.

Intrastate Shipper

A shipper that arranges transportation **ONLY WITHIN** one state of materials, substances or wastes which may be toxic, harmful or fatal to the environment, humans or animals that are accidentally exposed to them.

Interstate Shipper

A shipper that arranges transportation **ACROSS STATE LINES** of materials, substances or wastes which may be toxic, harmful or fatal to the environment, humans or animals that are accidentally exposed to them.

*Registrant (only on FMCSA form not on MCS-150 NY Form)*

A company that registers commercial motor vehicles with a state office but is not a motor carrier, such as a company that rents or leases vehicles, or a for-hire operator that operates under another company’s authority.
