I-81 Viaduct Project

I-481 Designated as I-81 Business Loop 81

- Existing I-81 between I-690 and existing I-481 would be renamed BL 81
- The new I-81 (former I-481) would vary from four to seven lanes in this section to accommodate traffic demand
- Add new I-81 signage and renumber interchanges as needed
- Make improvements to re-routed I-81, as needed
- Reconstruct interchange to direct I-81 traffic to the new I-81 (former I-481)
- Reconstruct interchange to direct I-81 traffic to the new I-81 (former I-481)
- Traffic calming measures such as narrow shoulders, curbs, and landscaping would be introduced between Colvin Street and MLK, Jr. East to encourage motorists to reduce speeds from 55 mph to 30 mph

- Onondaga Lake
