Title: US Customary Bridge Detail (BD) Sheets and Dual Unit NYSDOT Overhead Sign Structure Design Manual, 2008

Distribution:
☑ Manufacturers (18)
☑ Local Govt. (31)
☑ Agencies (32)
☑ Surveyors (33)
☑ Consultants (34)
☑ Contractors (39)

Approved:
/s/G. A. Christian
George A. Christian, P.E.
Deputy Chief Engineer (Structures)

ADMINISTRATIVE INFORMATION:

- Effective Date: This Engineering Bulletin (EB) is effective with lettings of January 8, 2009.
- The US Customary Bridge Detail (BD) sheets are being issued in addition to the current metric BD sheets. They do not supersede the metric versions.

TECHNICAL INFORMATION:

- The 2008 edition of the NYSDOT Overhead Sign Structure Design Manual has had no technical changes. The only changes are the addition of US Customary units to the previously shown metric ones.
- The Bridge Detail (BD) sheets have had no technical changes. Where inaccuracies, errors or omissions had been noted on the metric versions of the BDs, those updates have been made to the US Customary versions.
- Currently the Department is designing in metric (SI) units, but will be transitioning to US Customary units in the future.

CONTACT: Direct questions regarding this EI to Jim Flynn of the Office of Structures Standards and Policies Unit at (518)485-1148 or jhflynn@dot.state.ny.us.
