Question 1
Page 21, 4.4.2.8, B-2. “All Other Projects: For all other projects each Design-Build Team member has been involved with over the last 10 calendar years, submit the following information, organized by Design-Build Team member.....”

a) Please clarify if ‘all other projects’ refers to all NYSDOT projects, all Design-Build projects, all city/state agency projects, or all completed projects of any nature.

b) Does the term ‘Design-Build Team member’ include all proposed design subconsultants and construction subcontractors, or only the Construction Manager, Design Manager, Construction Inspection Professional Engineer and Materials Testing firms?

Answer:

a) “all other projects” refers to completed projects of any nature for which a Form PP-1 was not prepared.

b) ‘Design-Build Team member’ includes; Constructor(s), Designer(s), Construction Inspection Professional Engineering Firm(s), and Materials Testing Firm(s) or Laboratory. It does not include subconsultants and construction subcontractors.
