THE NEW YORK STATE DEPARTMENT OF TRANSPORTATION (NYSDOT) WILL ISSUE A
REQUEST FOR QUALIFICATIONS (RFQ) TO OBTAIN A STATEMENT OF
QUALIFICATIONS (SOQ) FROM FIRMS INTERESTED IN PROVIDING DESIGN-BUILD
SERVICES FOR THE RECONSTRUCTION OF NY 347 TERRY ROAD TO GIBBS POND ROAD (NY
347 DB PHASE 3).

The work envisioned for this project will include:
- Roadway, sidewalk and shared use path work;
- Noise barrier;
- Signing and Pavement Markings;
- Utility Relocations;
- Drainage; and
- Landscape to meet aesthetic requirements.

A Best Value selection process will be used that will have two steps. A Request for Qualifications (RFQ)
is anticipated to be issued in late July. Responses to the RFQ will be evaluated to establish a listing of
Design-Build firms that will be invited to submit Proposals in response to a Request for Proposals (RFP),
scheduled to be issued in September. The “Best-Value” selection process will evaluate the ability of the
Design-Builder to manage, design, construct and control the Project to provide a quality product, on or
ahead of schedule, for a reasonable lump sum price within the Department’s project budget.

The RFQ will establish the pre-qualification process for the firms seeking to be short-listed as proposers
and will provide full details of the Statement of Qualifications (SOQ) required from interested firms.

The Department reserves the sole right, without incurring any liability, to change any aspect of the
proposed procurement described above, including the right to not proceed with the procurement and/or
right to proceed in a different manner or on a different timeline than as described above.

Potential bidders are advised that under New York State Finance Law, communication on procurements
can be made only with designated contact persons. The contact person for this procurement is:
