BRUCKNER VIADUCT DECK REPLACEMENTS

DESIGN-BUILD PROJECT

PIN X731.45, D900040

RFQ Appendix A – Project Information:
Delete Page A-7 of RFQ Appendix A - Project Description and substitute the attached revised Page A-7.

No other provisions of the solicitation is otherwise changed or modified.

Note to Proposers:

Differences between the deleted pages and the revised pages have been identified as follows:
Brackets have been inserted on the left-hand margin of the pages to indicate where changes have been made to the documents; and

Text additions have been shown in underlined red font and text deletions have been shown in crossed out red font.
• Project safety and security;
• Surveys and geotechnical investigations;
• Harmful and hazardous materials remediation;
• Drainage and erosion control;
• Excess material disposal and handling;
• Required clearances, licenses, construction easements and permits for Design-Builder’s work sites, staging areas, temporary works access, storage areas, etc., both on and off site;
• Ancillary work, such as access roads, driveways, temporary fencing, relocation of drainage, and work sites;
• Coordination and relocation of utilities and municipal drainage facilities;
• Site clearance;
• Maintenance of the Project during the Contract period; and
• Operations and maintenance manuals, as-built drawings, and records of the new construction.

12.0 CONFLICT OF INTEREST

Federal regulations prohibit the hiring of any person or organization that has a “conflict of interest.” Proposers are required to disclose known or potential conflicts of interest in their Statement of Qualifications. Because of their prior work, the following firms have been identified as having conflicts of interest that prevent their consideration for the pending project. Due to a conflict of interest based on services currently being provided that are related to this Project, Proposers may not include the services of the following firm(s):

• AECOM
• Dewberry
• AKRF
• SIMCO
• MJ Engineering and Land Surveying, P.C.

Proposers utilizing firm(s) identified above will be disqualified from participating in this Project.

13.0 PROPOSAL STIPEND

Subject to the requirements and limitations set forth in the Stipend Agreement, to be included in the RFP, the Department shall pay to each Stipend-Eligible Proposer, and the Stipend-Eligible Proposer agrees to accept as full compensation for its Work Product, an amount (the “Stipend Amount”) equal to 50% of the Proposer’s total Qualified Costs, as substantiated in accordance with the provisions of the Stipend Agreement, not to exceed $250,000.00.
