The Department anticipates engaging in limited negotiations with the selected Proposer prior to Contract award regarding such matters as are deemed advisable for negotiations by the Department, as permitted by 23 CFR Section 636.513. Presentations may include concepts, content and detailed explanations from the written proposal for the categories below to demonstrate the plan for a successful project. Proposers limit attendance to four (4) team members, and only the team members in these roles should present the associated topic below. Proposers may discuss the value of the ATCs approved. New content, not included within the written proposal submitted, will NOT be allowed. The presentation should focus entirely on the Quality Evaluation Factors only. Proposers shall not mention their Price Proposal during the presentations.

Proposers shall be limited to the use of a PowerPoint presentation, which will become part of the procurement record.

Proposers will be allowed 40 minutes to present the concepts and content of their written proposals and will be required to respond to written Evaluator questions for a period of 20 minutes.
