Mr. Cedric Loftin
District Manager
Bronx Community Board 1
3024 Third Avenue
Bronx, NY 10455

PIN X731.45
REHABILITATION OF BRUCKNER EXPRESSWAY

Dear Mr. Loftin:

The New York State Department of Transportation (NYSDOT) is planning to rehabilitate the Bruckner Expressway viaduct. The project is currently in the Preliminary Design Phase and will be constructed through a Design-Build contract. Construction is planned to start in 2017.

The project proposes to replace the existing deteriorated concrete bridge deck. In addition, minor steel and column repairs will be done, as necessary. This work is necessary to extend the service life of this aging bridge. Attached is a map showing the work location.

This project will be set up to minimize the construction duration. Construction will be done in stages in order to maintain traffic volume during peak periods. Vehicular traffic will be maintained during construction. During construction, the project team will keep the community informed of the construction schedule and activities.

If the Board needs further information, we are available to meet and present the project in more detail. Should you have any questions, please contact Ms. Mini Varghese, Project Supervisor, at (718) 482-4726.

Sincerely,

Harold Fink, PE
Director of Engineering
Region 11

Mr. Richard Wenke  
Office of Structures  
New York State Department of Transportation, POD 4-3  
50 Wolf Road  
Albany, NY 12232

Subject: PIN X731.45 - Bruckner Expressway Viaduct (I-278) over Bruckner Blvd. and Local Streets, Bronx County

Dear Mr. Wenke:

In response to your January 13 letter, we have reviewed the information submitted. Based upon our review, we hereby concur with the Categorical Exclusion determination per 23 CFR 771.117. In accordance with our Stewardship and Oversight Agreement, you need to request our approval for Nonstandard Features and our Design Approval for this project. If you have any questions, please call me at (518) 431-8874.

Sincerely,

[Signature]

Richard F. Beers Jr.  
Senior Area Engineer
