TRAVEL ADVISORY

TWO-LANE CLOSURE ON NORTHBOUND BRUCKNER EXPRESSWAY BETWEEN EXIT 52 (BRONX RIVER PARKWAY) AND EXIT 53 (WHITE PLAINS ROAD)

Friday Night, October 16th through Sunday Morning, October 18th

Motorists are advised that the New York State Department of Transportation (NYSDOT) will be closing two of three travel lanes on the northbound Bruckner Expressway between Exit 52 (Bronx River Parkway) and Exit 53 (White Plains Road) in order to perform bridge maintenance on the Bruckner Expressway viaduct (elevated highway structure) that passes over Rosedale Avenue in the Bronx. This work is part of a $63 million contract that is making improvements on 62 bridges in the Bronx and New York counties. The work will begin on Friday night, October 16th at 10 p.m. and conclude on Sunday morning, October 18th at 10 a.m., weather permitting.

Drivers are encouraged to seek alternate routes.

Motorists are reminded that fines are doubled for speeding in a work zone. In accordance with the Work Zone Safety Act of 2005, convictions of two or more speeding violations in a work zone could result in the suspension of an individual’s driver license. It is imperative that motorists drive carefully through this construction zone, for their own safety and the safety of workers.
