**It is expected that the RFP will be released on or after November 1, 2013, with proposals due December 19, 2013.** If the release of the RFP is delayed for any reason, the due date for proposals will be extended appropriately.

**PRE-PROPOSAL WEBINAR:** A pre-proposal webinar will be held on Friday November 22, 2013 at 10:00 AM. Participation is optional yet recommended. If you are interested in participating in the webinar, you must register first by completing, scanning and e-mailing the RFP reply-back form and its two Procurement Lobbying Law forms. The designated contact person will forward you the webinar registration instructions.

**CONTRACT TERM:** The base term of this contract will be for five (5) contract years commencing from the contract start date, with two (2) optional 12-month contract term extensions, depending on performance and project need. The level of complexity for this project is moderately complex.

**SINGLE CONTRACT AWARD:** The objective is to retain one responsive and responsible prime consultant under Contract #C030786 (or a Prime Consultant supported by a Team of Subconsultants).

**18% DBE GOAL:** The DBE subconsultant participation contract goal for this solicitation has been tentatively set at **18 percent** of total contract value over the full term of the contract.

**LETTERS OF INTEREST:** Responsive and responsible consultants interested in receiving the RFP should submit a brief, one-page Letter of Interest (LOI) to the e-mail address of the Contact Person listed below. The LOI should include, at a minimum, the firm name, address, e-mail address, and phone number of a contact person at your firm. **DESIGNATED CONTACT PERSON:** Mr. Al Hasenkopf, NYSDOT Contract Management
Bureau, e-mail: alfred.hasenkopf@dot.ny.gov. Under the requirements of the State Procurement Act, all communications regarding advertised projects are to be channeled through NYSDOT Contract Management Bureau’s Designated Contacts. Until a contract is approved by the State Comptroller, contact with any other NYSDOT employee concerning this project should not be made unless otherwise directed by NYSDOT Contract Management Bureau. Communications made contrary to this policy and deemed an attempt to influence the outcome, may result in disqualification.

**Procurement Lobbying Law Compliance**

**Required Forms:** The consultant shall sign and e-mail/fax the following forms. These forms are part of and due with the consultants’ proposals.

a) “Offerer’s Affirmation of Understanding of and Agreement pursuant to State Finance Law §139-j (3) and §139-j (6) (b)”

b) “Offerer Disclosure of Prior Non-Responsibility Determinations”.

**NYSDOT Guidelines and Procedures**

Under the requirements of the State Procurement Act all communications regarding advertised projects are to be channeled through NYSDOT Contract Management (*Designated Contacts). Until a designation is made, communication with any other NYSDOT employee concerning this project that is determined to be an attempt to influence the procurement may result in disqualification.

**Contacts Prior to Designation:**

Any communications involving an attempt to influence the procurement are only permitted with the following Designated Contact Persons:

The Contract Management Designation Contract Analyst
The Contract Management Designation Analyst Supervisor
The Contract Management Civil Rights Unit Supervisor
The Contract Management Assistant Directors
The Contract Management Director

These are some communications exempted from this restriction:

- Participation in a pre-proposal conference
- Submittal of written questions when written responses will be provided to all offerers
- Protests, complaints of improper conduct or misrepresentation

If any other NYSDOT employee is contacted and they believe a reasonable person would infer that the communication was intended to influence the procurement, the contact must be reported by the NYSDOT employee. If the Department determines an impermissible contact was made, that offerer cannot be awarded the contract. A second violation would lead to a four-year bar on the award of public contracts to the offerer.

**Contacts After Designation**

NYSDOT identifies its primary negotiation contacts. The designated contacts include:
The law does not limit who may be contacted during the negotiation process. However, if any NYSDOT employee is contacted and they believe a reasonable person would infer that the communication was intended to influence the procurement, the contact must be reported by the NYSDOT employee.

Information Required from Offerers that contact NYSDOT staff, prior to contract approval by the Office of the State Comptroller:
The individuals contacting NYSDOT should refer and shall be prepared to provide the following information, either by e-mail or fax as directed by NYSDOT. Person’s name, firm person works for, address of employer, telephone number, occupation, firm they are representing, and whether owner, employee, retained by or designated by the firm to appear before or contact the NYSDOT.

Applicability to an Executed Contract
Restrictions similar to those described above apply to approval or denial of an assignment, amendment (other than amendments that are authorized and payable under the terms of the procurement contract as it was finally awarded or approved by the comptroller, as applicable), renewal or extension of a procurement contract, or any other material change in the procurement contract resulting in a financial benefit to the offerer. The staff noted above as well as the project manager and consultant manager are considered designated contact persons. The Department may identify other contact persons for each of these processes.
