REQUEST FOR PROPOSALS
OPERATION OF THE HUDSON VALLEY TRANSPORTATION MANAGEMENT CENTER (HVTMC)
FOR NYSDOT
Contract #C031179

Dear Sir or Madam:

SUBJECT: MODIFICATION #3 TO REQUEST FOR PROPOSALS “OPERATION OF THE HUDSON VALLEY TRANSPORTATION MANAGEMENT CENTER (HVTMC) FOR NYSDOT"

Reference is made to the subject solicitation wherein the following changes are hereby incorporated:

1. NYSDOT is hereby amending Section IV.B.1.c. of the RFP to add the word “categories” as shown below:

Remove the following language:

“If a proposing firm would like to offer an alternate approach to its use of overhead, the approach along with definitions shall be explained in Part II of the firm’s proposal (the Cost proposal) along with the cost benefit that using such an approach would provide the State.”

Replace with new language:

“If a proposing firm would like to offer an alternate approach to its use of overhead categories, the approach along with definitions shall be explained in Part II of the firm’s proposal (the Cost proposal) along with the cost benefit that using such an approach would provide the State.”

2. NYSDOT is hereby amending its short-listing rule as it appears in the third paragraph of Section V.A. of the RFP. Firms susceptible for contract award shall be those whose proposal receives a minimum raw technical score of 45.00 points or higher (out of the 70 points available) after discussions by the Evaluation Committee.
The language in Section V.A. of the RFP, regarding the short-listing rule, shall be replaced with:

“Only proposals determined to be susceptible for contract award (short-listed) will be considered further and have their cost proposal included in the selection process. Firms susceptible for contract award shall be those whose proposal receives a minimum raw technical score of 45.00 points or higher (out of the 70 points available) after discussions by the Evaluation Committee. Proposals with raw technical scores lower than 45.00 are considered not susceptible for contract award and will not be considered further in the evaluation process.”

3. After ATTACHMENT #12, Insert ATTACHMENT #13 “2nd Set - Questions and Answers for RFP/Contract #C031179.” Attachment 13 may be found on NYSDOT’s website at https://www.dot.ny.gov/portal/page/portal/doing-business/opportunities/consult-opportunities#c1525.
