The New York State Department of Transportation anticipates the release of a Request for Proposals (RFP) to seek a responsive and responsible Consultant to coordinate and deliver services for a sponsorship program for the Department’s ‘511NY Travel Information System’ in order to increase statewide awareness of the 511NY program. To further this pursuit, the Department is seeking proposals for coordinating and promoting sponsorship of the ‘511NY Travel Information System’, including solicitation and engagement of sponsors, with such sponsorship to be acknowledged via new and existing road signage affixed to ‘511NY’ Logo signage and via computer, namely NYSDOT’s 511NY website, Mobile Applications and Twitter. Additional technology opportunities may be part of this project.

Responsive and responsible consultants interested in participating in this RFP should submit a brief, one-page Letter of Interest (LOI) to the e-mail address of the Contact Person listed below. The LOI should include, at a minimum, the firm name, address, e-mail address, and phone number of a contact person at your firm. An e-mail announcing the release of the RFP will be sent to all parties submitting a LOI. When ready, the RFP will be posted to the NYSDOT website and will contain all the information necessary for firms to submit a complete proposal. It is anticipated that the RFP will be released in mid-March 2014. If the release of the RFP is delayed for any reason, the due date for proposals will be extended appropriately.

The base term of this contract is five years. There are no optional extensions.

The proposal due date of May 22, 2014 is subject to change.

Under the requirements of the State Procurement Act, all communications regarding advertised projects are to be channeled through the NYSDOT Contract Management Bureau Designated Contact Person. Until a contract is approved by the State Comptroller, contact with any other NYSDOT employee concerning this project should not be made unless otherwise directed by NYSDOT Contract Management. Communications made contrary to this policy and deemed an attempt to influence the outcome, may result in disqualification.

**Procurement Lobbying Law Compliance**

**Required Forms:** The consultant shall sign and e-mail/fax the following forms. These forms are part of and due with the consultants’ proposals.

b) “Offerer Disclosure of Prior Non-Responsibility Determinations”.

**NYSDOT Guidelines and Procedures**
Under the requirements of the State Procurement Act all communications regarding advertised projects are to be channeled through NYSDOT Contract Management Bureau (*Designated Contacts). Until a designation is made, communication with any other NYSDOT employee concerning this project that is determined to be an attempt to influence the procurement may result in disqualification.

Contacts Prior to Designation:
Any communications involving an attempt to influence the procurement are only permitted with the following Designated Contact Persons:

- The Contract Management Bureau Designation Contract Analyst
- The Contract Management Bureau Designation Analyst Supervisor
- The Contract Management Bureau Civil Rights Unit Supervisor

- The Contract Management Bureau Director

These are some communications exempted from this restriction:

If any other NYSDOT employee is contacted and they believe a reasonable person would infer that the communication was intended to influence the procurement, the contact must be reported by the NYSDOT employee. If the Department determines an impermissible contact was made, that offerer cannot be awarded the contract. A second violation would lead to a four-year bar on the award of public contracts to the offerer.

- The Contract Management Bureau Negotiation Analyst Supervisor

Information Required from Offerers that contact NYSDOT staff, prior to contract approval by the Office of the State Comptroller:
The individuals contacting NYSDOT should refer and shall be prepared to provide the following information, either by e-mail or fax as directed by NYSDOT. Person’s name, firm person works for, address of employer, telephone number, occupation, firm they are representing, and whether owner, employee, retained by or designated by the firm to appear before or contact the NYSDOT.

**Applicability to an executed contract**
Restrictions similar to those described above apply to approval or denial of an assignment, amendment (other than amendments that are authorized and payable under the terms of the procurement contract as it was finally awarded or approved by the comptroller, as applicable), renewal or extension of a procurement contract, or any other material change in the procurement contract resulting in a financial benefit to the offerer. The staff noted above as well as the project manager and consultant manager are considered designated contact persons. The Department may identify other contact persons for each of these processes.
