PROJECT MANAGEMENT DATABASE AND REPORTING SUPPORT
Contract #C031370

Dear Sir or Madam:

SUBJECT: MODIFICATION #1 TO REQUEST FOR PROPOSALS “PROJECT MANAGEMENT DATABASE AND REPORTING SUPPORT”

Reference is made to the subject solicitation wherein the following changes are hereby incorporated:

1. NYSDOT has extended the deadline for submission of questions in response to the subject RFP. Question submittal deadline is now NOON on Thursday, March 5th.

2. NYSDOT is providing the source list for the subject RFP. The source list, Attachment 11 to the RFP, may be found at the following link:

   https://www.dot.ny.gov/portal/page/portal/doing-business/opportunities/consult-opportunities#c1525

Note: The NYS Department of Transportation is releasing the source list used in the mailing of the subject RFP. The source list is provided on NYSDOT’s external website as Attachment #11 to the “Project Management Database and Reporting Support” RFP and was developed from various forms of communications from entities in the industry and information gathered by the Department. Firms/entities interested in contacting a firm on the source list should use any means necessary above and beyond the information provided on the source list to contact firms/entities of interest. Additionally, the source list is not inclusive of the industry - any firm/entity that wishes to be added to the source list for future contracts/RFPs should submit a letter of interest to the contact name/location included in the RFP. NYSDOT also encourages entities who are interested in proposing or developing a team for proposal purposes to use other forms of industry information to further develop their own source list for proposal purposes.

3. NYSDOT will be releasing the answers to the questions submitted by the March 5th deadline on or about March 9, 2015.

   No other provision of the solicitation is otherwise changed or modified.
   Please update your records accordingly.
An authorized representative of your firm or organization MUST acknowledge receipt and acceptance of this **Modification No. 1** by including a signed copy of this form with the Part II Cost and Contract Submission as a separate tab item.

ACKNOWLEDGED AND ACCEPTED:
