The New York State Department of Transportation (NYSDOT) announces the release of the following questions and answers regarding NYSDOT’s intentions to follow-up this Request for Information (RFI #2015-03) with the following possible future procurement information:

1. **Does NYSDOT see the “next steps” in this process to be the issuance of an RFP?**
   **ANSWER:** NYSDOT is currently evaluating releasing an RFC toward the end of August and planning on an October RFP release.

2. **How far along is NYSDOT in developing the RFP for CADD?**
   **ANSWER:** The RFP currently is in draft form.

3. **Does the issuance of this RFP coincide with the completion of the Bentley Open Roads implementation?**
   **ANSWER:** No, since NYSDOT currently does not have a timeline for OpenRoads implementation.
