Under the requirements of the State Procurement Act, all communications regarding advertised projects are to be channeled through the NYSDOT Contract Management Bureau Designated Contact Person. Until a contract is approved by the State Comptroller, contact with any other NYSDOT employee concerning this project should not be made unless otherwise directed by NYSDOT Contract Management. Communications made contrary to this policy and deemed an attempt to influence the outcome, may result in disqualification.

**Procurement Lobbying Law Compliance**

NYSDOT Guidelines and Procedures
Under the requirements of the State Procurement Act all communications regarding advertised projects are to be channeled through NYSDOT Contract Management Bureau (*Designated Contacts). Until a designation is made, communication with any other NYSDOT employee concerning this project that is determined to be an attempt to influence the procurement may result in disqualification.

Contacts Prior to Designation:
Any communications involving an attempt to influence the procurement are only permitted with the following Designated Contact Persons:
- The Contract Management Bureau Designation Contract Specialist
- The Contract Management Bureau Designation Analyst Supervisor
- The Contract Management Bureau Civil Rights Unit Supervisor
- The Contract Management Bureau Assistant Directors
- The Contract Management Bureau Director

These are some communications exempted from this restriction:
- Participation in a pre-proposal conference
- Submittal of written questions when written responses will be provided to all offerors
- Protests, complaints of improper conduct or misrepresentation

If any other NYSDOT employee is contacted and they believe a reasonable person would infer that the communication was intended to influence the procurement, the contact must be reported by the NYSDOT employee. If the Department determines an impermissible contact was made, that offeror cannot be awarded the contract. A second violation would lead to a four-year bar on the award of public contracts to the offeror.

Contacts after designation
NYSDOT identifies its primary negotiation contacts. The designated contacts include:
- The Contract Management Bureau Negotiation Contract Specialist
- The Contract Management Bureau Negotiation Analyst Supervisor
- The Contract Management Bureau Civil Rights Unit Supervisor
- The Contract Management Bureau Assistant Directors
- The Contract Management Bureau Director
- The Consultant Management Bureau consultant job manager
- The Consultant Management Bureau consultant job manager’s immediate supervisor
- Individual(s) that the Department may identify at or after designation
The law does not limit who may be contacted during the negotiation process. However, if any NYSDOT employee is contacted and they believe a reasonable person would infer that the communication was intended to influence the procurement, the contact must be reported by the NYSDOT employee.

Information Required from Offerors that contact NYSDOT staff, prior to contract approval by the Office of the State Comptroller:
The individuals contacting NYSDOT should refer and shall be prepared to provide the following information, either by e-mail or fax as directed by NYSDOT. Person’s name, firm person works for, address of employer, telephone number, occupation, firm they are representing, and whether owner, employee, retained by or designated by the firm to appear before or contact the NYSDOT.

Applicability to an executed contract
Restrictions similar to those described above apply to approval or denial of an assignment, amendment (other than amendments that are authorized and payable under the terms of the procurement contract as it was finally awarded or approved by the comptroller, as applicable), renewal or extension of a procurement contract, or any other material change in the procurement contract resulting in a financial benefit to the offeror. The staff noted above as well as the project manager and consultant manager are considered designated contact persons. The Department may identify other contact persons for each of these processes.
