F. DESIGNATED CONTACT PERSON: Mr. Al Hasenkopf, NYSDOT Contract Management, e-mail: alfred.hasenkopf@dot.ny.gov. Under the requirements of the State Procurement Act, all communications regarding advertised projects are to be channeled through NYSDOT Contract Management’s Designated Contacts. Until a contract is approved by the State Comptroller, contact with any other NYSDOT employee concerning this project should not be made unless otherwise directed by NYSDOT Contract Management. Communications made contrary to this policy and deemed an attempt to influence the outcome, may result in disqualification.
G. PROCUREMENT LOBBYING LAW (PLL) COMPLIANCE:

**Required Forms:** The consultant shall sign and e-mail/fax the two PLL forms listed below. These forms are part of and due with a submitted proposal.
1. **Offerer’s Affirmation of Understanding of and Agreement pursuant to State Finance Law §139-j (3) and §139-j (6) (b)**
2. **Offerer Disclosure of Prior Non-Responsibility Determinations**

**NYSDOT Guidelines and Procedures:** Under the requirements of the State Procurement Act all communications regarding advertised projects are to be channeled through NYSDOT Contract Management. Until a designation is made, communication with any other NYSDOT employee concerning this project that is determined to be an attempt to influence the procurement may result in disqualification.

**Contacts Prior to Designation:** Any communications involving an attempt to influence the procurement are only permitted with the following Designated Contact Persons:
1. The Designated Contract Management Specialist
2. The Contract Management Specialist’s Supervisor
3. A Contract Management Assistant Director
4. The Director of Contract Management

These are some communications exempted from this restriction:
1. Participation in a pre-proposal conference/webinar
2. Submittal of written questions when written responses will be provided to all offerers
3. Protests, complaints of improper conduct or misrepresentation

If any other NYSDOT employee is contacted and they believe a reasonable person would infer that the communication was intended to influence the procurement, the contact must be reported by the NYSDOT employee. If the Department determines an impermissible contact was made, that offerer cannot be awarded the contract. A second violation would lead to a four-year bar on the award of public contracts to the offerer.

**Contacts After Designation:** NYSDOT identifies its primary negotiation contacts. The designated contacts include:
1. The Designated Contract Management Specialist
2. The Contract Management Specialist’s Supervisor
3. A Contract Management Assistant Director
4. The Director of Contract Management
5. The NYSDOT Consultant Job Manager
6. The NYSDOT Consultant Job Manager’s Immediate Supervisor
7. Any individual(s) that NYSDOT may identify at or after designation
The law does not limit who may be contacted during the negotiation process. However, if any NYSDOT employee is contacted and they believe a reasonable person would infer that the communication was intended to influence the procurement, the contact must be reported by the NYSDOT employee.

**Information Required from Offerers that Contact NYSDOT Staff, Prior to Contract Approval by the Office of the State Comptroller:** The individuals contacting NYSDOT should refer and shall be prepared to provide the following information, either by e-mail or fax as directed by NYSDOT. Person’s name, firm person works for, address of employer, telephone number, occupation, firm they are representing, and whether owner, employee, retained by or designated by the firm to appear before or contact the NYSDOT.

**Applicability to an Executed Contract:** Restrictions similar to those described above apply to approval or denial of an assignment, amendment (other than amendments that are authorized and payable under the terms of the procurement contract as it was finally awarded or approved by the comptroller, as applicable), renewal or extension of a procurement contract, or any other material change in the procurement contract resulting in a financial benefit to the offerer. The staff noted above as well as the project manager and contractor manager are considered designated contact persons. The Department may identify other contact persons for each of these processes.
