August 11, 2020

REQUEST FOR PROPOSALS
RFP MODIFICATION #1
Land Surveying Equipment and Services for NYSDOT
Office of Design Land Surveyors
Contract #C037922

Dear Interested Party:

1. The deadline for submission of Proposals is hereby changed to September 21, 2020 @ 12:00PM (EST).

2. Reference is made to the subject solicitation wherein the following change is hereby incorporated:
   
a. Attachment 14: Scope of Services/Detailed Task Descriptions: Task 1 – The number of GIS Handheld GNSS Receivers listed is hereby changed to 10 GIS Handheld GNSS Receivers; not 2 as specified in the RFP.
   b. Attachment 14: Scope of Services/Detailed Task Descriptions: Task 2 – The number of licenses required is hereby changed to read 20 licenses; not 25 as specified in the RFP.
   c. Attachment 17: Deliverables Requirement Table, Requirement #34 – The number of meters required is 300 meters; not 800 meters as specified in the RFP.
   d. Attachment 17: Deliverables Requirement Table, Requirement #65 – This requirement is deleted in its entirety.

No other provision of the solicitation is otherwise changed or modified.

Bidders must acknowledge receipt of RFP Modification #1 using RFP Attachment 3, Form AOR.
