ANNOUNCEMENT NUMBER THREE

NYS DOT announces resumption of the schedule for the subject Request for Proposal (RFP). The Mandatory Site Visit has been rescheduled and the Pre-Proposal Conference relocated. Please note the following revised dates and deadlines:

- November 14, 2012: Pre-Proposal Conference @1:00PM at the American Air Power Museum
- November 14, 2012: MANDATORY Site Visit/Tour (after conclusion of Pre-Proposal Conference)
- November 21, 2012 @ 5:00 PM ET: Revised deadline for questions about the RFP
- November 28, 2012: Revised deadline for release of answers to RFP questions
- December 7, 2012 @ 2:00 PM ET: Revised deadline for the submission of proposals

The address of the American Air Power Museum is 1230 New Highway, East Farmingdale, New York.

Please see the second page of this announcement for revised RFP Section VI. 2 information (deletions not shown).

Please direct any questions regarding this information to: Al Hasenkopf, NYS DOT Contract Management Bureau via e-mail: Alfred.Hasenkopf@dot.ny.gov. Thank you.
To assist firms in preparing proposals in response to this solicitation, a Pre-Proposal Conference will be held on November 14, 2012 at 1:00PM at the American Air Power Museum and is scheduled to run for about one hour. You may pose questions in advance of this event, and the due date for questions prior to this event is November 9, 2012 to Mr. Al Hasenkopf, NYSDOT Contract Management Bureau via e-mail (Alfred.Hasenkopf@dot.ny.gov). Questions submitted in advance of the Pre-Proposal Conference/Mandatory Site Visit may be answered during the conference. An opportunity will be afforded for questions and answers during the conference (all questions are due by November 21st). NYSDOT will do its best to record questions asked during the Site Visit and encourages to submit written questions after conclusion of the Site Visit. In the interest of fairness, at the conclusion of the Site Visit, no more oral questions can be asked and all conversations with State officials about the Republic Airport RFP shall cease during the aftermath of the Mandatory Site Visit.

Participation in the Pre-Proposal Conference via teleconference is no longer possible. A general review of the solicitation will occur and specific questions regarding the solicitation may be answered. Interested firms are encouraged to attend and ask questions. Interested DBE consultants are also encouraged to attend. After the conclusion of the Pre-Proposal Conference, attendees will board a state vehicle whereafter the tour shall be presented.

To further assist firms in preparing proposals in response to this solicitation, a MANDATORY Site Visit is being held on November 14, 2012 at the Republic Airport facility (scheduled to immediately follow the conclusion of the Pre-Proposal Conference), located in East Farmingdale, Suffolk County, N.Y. (See RFP Attachment 11). A tour of the facility shall be given, with opportunities for vendors to pose questions. NYSDOT will either respond to questions or document questions for later response. It is mandatory that all prime consultants attend the site visit. It is optional for subconsultants to attend.

For security and fairness reasons, firms intending on attending the Mandatory Site Visit must preregister by submitting an e-mail to Alfred.Hasenkopf@dot.ny.gov with your firm’s name and the name, title, telephone number and e-mail address of all representative(s) who will be attending. Each proposer is requested to send no more than five representatives to the conference (if more are needed, please ask). Please note that Procurement Lobbying Law (PLL) forms (RFP Attachment 3) must be completed, scanned and e-mailed along with your registration request. PRIME FIRMS WHO FAIL TO REGISTER AND ATTEND THE MANDATORY SITE VISIT ARE PRECLUDED FROM PROPOSING.
