

New York State Department of Transportation

**Contract #C030715
Consortium For Research on Energy and Sustainable Transportation (CREST)
Services For NYSDOT**

DE-DESIGNATION

On December 3, 2012

The New York State Department of Transportation has de-designated

The Institute for Infrastructure Asset Management (IIAM)

In association with

**New West Technologies LLC
KORYAK Consulting, Inc. (DBE)**

To provide the services for the above contract.

The Department has made a decision to no longer pursue executing the CREST contract due to changing priorities, is hereby cancelling its solicitation process for Contract #C030715, and is hereby de-designating the firm of IIAM with no prejudice to the firm.
