17-3 CERTIFICATION FOR CONSTRUCTION INSPECTION 3
CERTIFICATION FOR CONSTRUCTION INSPECTION

PIN _ _ _ _ _

[Name of Project]

[Sponsor/County]

I, [name of person, PE, RA or RLA], [title], [name of consultant firm or municipal department responsible for construction inspection], the responsible licensed professional for the inspection of the construction of the above-referenced locally administered federal aid project(s), hereby certify, by signing and affixing my professional stamp below, that to the best of my knowledge and belief that:

• all construction work has been satisfactorily completed in accordance with the approved plans and specifications and all approved change orders;

• construction activities were monitored and inspected in accordance with the approved Construction Management Plan (CMP), and generally accepted engineering and/or architectural practice;

• all subcontractors were approved in accordance with the provisions set forth in the contract documents and/or the CMP;

• all change orders are for work that is consistent with the Design Approval Document, and have been reviewed and approved in accordance with Chapter 15 of the "Procedures for Locally Administered Federal Aid Projects" manual;

• shop drawings have been reviewed and approved as called for in the specifications and by generally accepted practice, and are in the project files;

• all work has been performed consistent with environmental permits, commitments to regulatory agencies and generally accepted practice;

• all work on State highway right-of-way has been satisfactorily completed and accepted by NYSDOT in accordance with the terms of the NYSDOT Highway Work Permit (if applicable);

• as-built plans and load rating forms for all structures have been prepared and signed and sealed by the licensed professional responsible for inspection, if applicable;

• and, as-built plans for projects with contract documents approved by the Regional Director, Chief Engineer or Federal Highway Administration have been prepared and signed and sealed by the licensed professional responsible for inspection.
