Director, Environmental Science Bureau

7-28-10

ADMINISTRATIVE INFORMATION:

- Effective Date: This Engineering Bulletin (EB) is effective upon signature.
- Superseded Issuances:
  - Environmental Procedures Manual (EPM) 1.3
  - EI 06-027 Section 210 Standard Specification/Payment Items/BV14
  - EI 07-002 Asbestos Design Guidance
  - EI 07-003 Asbestos Construction Guidance

PURPOSE: To announce the availability of Section 4.4.19, the revised Asbestos Management Section of the TEM.

TECHNICAL INFORMATION: The objective of this section is to provide guidance to complete asbestos screenings, assessments, project design and project monitoring.

TRANSMITTED MATERIALS: None. Section 4.4.19 (Asbestos Management) of the TEM can be found at the following address:

BACKGROUND: This section is being revised to present a policy in conformance with current Department practice and regulatory statute. It consolidates information in previous issuances, and provides guidance on the subject in a format that more closely follows other Department guidance.

CONTACT: Questions regarding this issuance should be addressed to Jonathan Bass of the Environmental Science Bureau at 518-485-5315 or JBASS@dot.state.ny.us.
