<tr>
<td>James H. Flynn III, P.E.</td>
<td>Deputy Chief Engineer, Structures</td>
</tr>
</tbody>
</table>

ADMINISTRATIVE INFORMATION:
- This Engineering Bulletin (EB) is effective immediately.
- This EB does not supersede any other issuance.
- The revisions issued with this EB have been incorporated into the Bridge Manual that is currently available on the NYSDOT website.

PURPOSE: This EB transmits the revised Bridge Manual.

TECHNICAL INFORMATION:
- The Bridge Manual has been revised to improve formatting, correct typographic errors, clarify language, and resolve identified conflicts. None of the changes substantially affect current policy or procedure.
- There is no cost impact.

IMPLEMENTATION:
As there are no changes to policy or procedure, this Bridge Manual is effective immediately. It can be accessed at:

CONTACT: Direct questions regarding this EB to Duane Carpenter of the Office of Structures via email at Duane.Carpenter@dot.ny.gov or at (518) 457-5715.
