

ITEM 202.0519 11 - REMOVE AND DISPOSE OF SPRAY BOLLARD, BENCHES WITH CONCRETE SLABS, SAFETY SURFACE MATS, PLAY STRUCTURES AND SWING SETS

DESCRIPTION

This Contractor shall remove and dispose of all items listed in the attached table, in accordance with the contract documents and as directed by the Engineer.

Items to be Removed and Disposed
Spray Bollard
Benches with Concrete Slabs
Safety Surface Mats
Play Structures
Swing Sets

MATERIALS

None Specified.

CONSTRUCTION DETAILS

All relevant provisions of § 202-3.01, § 202-3.05 and §202-3.09 of the Standard Specifications shall apply.

The Contractor shall cap existing water line associated with spray bollard, and remove existing spray bollard footing and all plumbing appurtenances. Work shall be performed by a plumber licensed in the City of New York and shall be in accordance with §663-3.22 of the Standard Specifications and the rules and regulations of the NYC Department of Environmental Protection, Bureau of Water Supply.

The Contractor shall break up and remove bench slabs using extreme care to not damage adjacent pavement, curbs or fence to remain.

The Contractor shall remove each entire play structure and swing set including but not limited to, posts, frame, platforms, hardware, chains, seats, fittings and footings.

All materials excavated and removed shall become property of the Contractor and shall be disposed of by the Contractor.

All voids and excavations, left after items are removed, shall be backfilled to subgrade with suitable excavated material and select granular fill. The fill and backfill shall be placed and compacted in accordance with § 203-3.15 of the Standard Specifications by acceptable methods to the satisfaction of the Engineer except that a minimum of 90 percent of Standard Proctor Maximum density will be required unless the area being filled is within an area of another item of work where greater density is required.

METHOD OF MEASUREMENT

This work will be measured on a lump sum.

**ITEM 202.0519 11 - REMOVE AND DISPOSE OF SPRAY BOLLARD, BENCHES
WITH CONCRETE SLABS, SAFETY SURFACE MATS,
PLAY STRUCTURES AND SWING SETS**

BASIS OF PAYMENT

The lump sum price bid shall include the cost of removing and disposing of all items, the placing of backfill and fill and furnishing all labor, materials, and equipment necessary to satisfactorily complete the work.
