

ITEM 11202.49 M - REMOVE STORE AND RELOCATE BILLBOARDS

DESCRIPTION

This work shall consist of removing, storing and relocating Billboard in accordance with the contract documents and/or as directed by the Engineer.

MATERIALS

All materials used in this work shall meet the requirement of Class A concrete of section 501-2.

CONSTRUCTION DETAILS

Under this item, the contractor shall remove concrete foundation, and remove, store and relocate billboard panels, lighting fixtures, steel frame and any other associated elements from locations indicated on the plans in conformance with the Standard Specifications of New York State Department of Transportation. Section 647-3.04 of Standard Specification of NYSDOT shall also apply. Section 645-3.02 and §645-3.11B of Standard Specification of NYSDOT shall also apply. For footing use Standard sheets M645-72 and M645-76. Any damage done to the post while removing will be replaced by the contractor at no cost to the State.

METHOD OF MEASUREMENT

Measurement for removing and relocating Billboards will be made on a lump sum basis.

BASIS OF PAYMENT

The unit price bid shall include the cost of furnishing all labor, materials, and equipment necessary to satisfactorily complete the work.
