

**ITEM 05206.0305 M - CONDUIT EXCAVATION AND BACKFILL (IN EXISTING ROADWAY)**

**ITEM 05206.0306 M - CONDUIT EXCAVATION AND BACKFILL (NOT IN ROADWAY)**

The provisions for Conduit Excavation and Backfill of Section 206 shall apply with the following modifications:

Under Subsection 206-3.02, Replacement of Pavement Structure Courses, insert the phrase, "... except when the Contract Documents specify that other materials such as the concrete encasement shall be used." at the end of the sentence following the words "... road section."

Under Section 206-4.03 "Conduit Excavation and Backfill" insert the following at the end of the section: "In Existing Roadway" and "Not In Existing Roadway" will be determined, as ordered by the Engineer, according to Figure 100-1.
