

**ITEM 17551.9907 M - FURNISHING EQUIP. FOR INSTALLING DRILLED
SHAFT FOUNDATIONS**

DESCRIPTION

Under this work, the Contractor shall furnish equipment at the work site for installing drilled shaft foundations as shown on the plans.

MATERIALS

Not specified.

CONSTRUCTION DETAILS

Prior to delivering any equipment to the site, the Contractor shall submit the type of equipment he proposes to use for the drilled shaft foundation installation to the D.C.E.S. for review. The equipment shall be capable of installing drilled shaft foundations through miscellaneous fill, boulders, timber and other obstructions, and into bedrock. All equipment deemed unsatisfactory by the D.C.E.S. shall be removed from the site and replaced with satisfactory equipment at no additional cost to the State.

METHOD OF MEASUREMENT

Payment will be made by lump sum. No field measurements will be taken.

BASIS OF PAYMENT

The lump sum price bid shall include the cost of furnishing all labor, materials and equipment necessary for transporting, erecting, maintaining, making any ordered equipment replacement, dismantling and removing all installing equipment.

Payment shall be made as follows: Seventy-five (75%) percent of the amount bid will be authorized for payment when the equipment for installing drilled shaft foundations is furnished and the installation of drilled shaft foundations has commenced. The remainder will be authorized for payment when the work of installing the drilled shaft foundations is completed.
