

ITEM 10559.89 M - PRIORITY GRAFFITI ELIMINATION RESPONSE

(\$500.00 EA - Fixed Price)

DESCRIPTION

Under this item the Contractor shall respond to Priority Work Orders given under this contract. Item 10634.9010 M - PROMPT INITIAL RESPONSE TO GRAFFITI ELIMINATION does not apply.

MATERIALS

Not applicable.

CONSTRUCTION DETAILS

For Priority Work Orders, the Contractor shall respond to the satisfaction of the Engineer within 24 hours of notification. Such response shall include mobilization and deployment of all resources necessary to complete the work as directed by the Engineer. The actual performance of the work will be paid under other contract items.

METHOD OF MEASUREMENT

Priority responses will be measured as the number of Priority Work Orders to which the Contractor has responded to and completed the work as specified.

BASIS OF PAYMENT

The fixed unit price for this item shall include the cost of any or all Contractor's overhead associated with response to a specific priority work order. This shall also include all costs required to bring equipment, material and labor to a work site and to remove them at the end of the work period.

If the Contractor fails to respond to a Priority Work Order as directed by and to the satisfaction of the Engineer, a charge to the Contractor will be deducted from the payments due to the Contractor for work performed under other items of the contract in an amount equal to the fixed unit price for this item for each 24 hours, or part thereof, that the Contractor exceeds the initial 24 hours of response time.
