

ITEM 08560.130601 M - REMOVE AND RESET EXISTING STONE MASONRY

DESCRIPTION:

The Contractor shall carefully remove the existing stone masonry from its original position, clean and reset the stone, in accordance with specifications, as shown on the plans or as directed by the Engineer.

MATERIALS:

The provisions of Section 560-2, Materials, shall apply with the following additions and modifications:

The existing stone masonry may be used as approved by the Engineer. The Contractor shall supply additional stone, as needed, to complete the wall to the payment lines shown on the plans. The stone shall be similar in all features to the existing stone and approved by the Engineer.

CONSTRUCTION DETAILS:

The Contractor shall remove the existing stone masonry as shown on the plans or as directed by the Engineer. All existing masonry to be reset, shall be cleaned of old mortar to the satisfaction of the Engineer. All masonry rejected by the Engineer shall become the property of the Contractor for disposal.

The existing mortar surface below the stone masonry designated to be removed shall be blown clean by compressed air to the satisfaction of the Engineer. All voids shall be filled with fresh mortar as specified under Subsection 560-2.06, Mortar.

The existing masonry shall be reset in accordance with requirements of Subsection 560-3.04, Stone Masonry, except that the sample wall shall not be required.

METHOD OF MEASUREMENT:

This work shall be measured by the number of square meters (including joints within the stone masonry) measured along the plane of the exposed surfaces of the stone masonry, reset in its final location. Stone masonry shown on the plans below the finished grade shall be considered as exposed in computing the payment area for this item.

BASIS OF PAYMENT:

The unit price bid per square meter shall include the cost of all labor, materials and equipment necessary to satisfactorily complete the work as shown on the plans, including cleaning masonry, and providing weep holes at the bottom of the wall as shown on the plans.
