

ITEM 07589.53 M - RELOCATE EXISTING STRUCTURAL STEEL

DESCRIPTION:

This work shall consist of relocating existing structural steel as indicated on the contract plans.

MATERIALS:

Materials for this work shall meet the requirements of the following Subsection of the latest edition of the New York State Department of Transportation Standard Specifications:

High Strength Bolts, Nuts and Washers

715-14

CONSTRUCTION DETAILS:

Disassembly work shall be performed in accordance with the requirements of subsection 589-3. Prior to the beginning of disassembly work the Contractor shall document the condition of the existing steel. The Engineer will verify and certify the accuracy of the Contractor's documentation. After the verification and certification, the Engineer will be supplied with two certified copies of the documentation. All damaged or otherwise unacceptable steel conditions, which are not so documented, shall be the Contractor's sole responsibility. Steel which is to be stored, shall meet the requirements of the New York State Steel Construction Manual, Section 14.

Relocation of the existing structural steel shall be performed in accordance with the requirements of the New York State Steel Construction Manual, Section 14.

All assembly connections shall be made by means of high strength bolts unless otherwise directed by the plans. All welding work shall meet the requirements of Section 7 of the New York State Steel Construction Manual.

METHOD OF MEASUREMENT:

This work will be measured as the number of existing structural steel units relocated as indicated on the contract plans.

BASIS OF PAYMENT:

The unit price bid per unit shall include the cost of furnishing all labor, materials, and equipment necessary to complete the work, including the removal of fasteners, and disconnecting, supporting, or adjusting steel as necessary.

No payment will be made for repair of, or replacement of, damaged material made necessary as a result of the Contractor's operations.

Paint removal and the treatment, handling and disposal of paint removal waste will be paid for under their respective items.
