

ITEM 63603.01M - FURNISH DRAINAGE PIPE, VARIOUS SIZES EMERGENCY STANDBY CONTRACT WORK

DESCRIPTION. Under this item, the contractor shall furnish and deliver to the job site pipe for drainage. The pipe diameter, quantity and material shall be specified by Engineer.

MATERIALS. Materials requirements are specified in Section 603-2.

CONSTRUCTION DETAILS. Not specified.

METHOD OF MEASUREMENT. The unit price shown in the proposal for this item will be considered as the price bid and shall not be altered in any manner. Should the amount shown be altered, the new figure will be disregarded and the original bid price will be used to determine the total amount bid for the contract.

The Contractor shall provide an invoice depicting the pipe diameter, quantity, material type and price paid to the Engineer upon delivery. The Engineer shall verify pipe delivered as specified on the invoice.

BASIS OF PAYMENT. The amount bid shall include the cost of furnishing and delivering the drainage pipe. The diameter and material shall be specified by the Engineer as noted under "Description".

The amount payable to the Contractor under this item shall be contractor's invoice cost of pipe plus 20% of invoice cost for overhead and profit.

Payment for this item shall be authorized when the Contractor has delivered drainage pipe to the site.

Installation of drainage pipe, end sections, excavation, granular fill and backfill will be paid for separately under their respective contract items.

Payment will be made under:
