

**ITEM 01603.17XXYY – GALVANIZED STEEL END SECTIONS–INSTALL ONLY**

**DESCRIPTION**

This specification covers the requirements for transporting and installing galvanized steel end sections supplied by New York State D.O.T. in accordance with these specifications, the contract plans, and the appropriate standard sheets.

**MATERIALS**

The provisions of Section 603 of the Standard Specifications shall apply.

**CONSTRUCTION DETAILS**

The requirements of Sections 603 of the Standard Specifications shall apply.

**METHOD OF MEASUREMENT**

The quantity to be paid for under this item will be the number of end sections supplied by NYSDOT that the contractor transports to the site and installs in accordance with the contract plans.

**BASIS OF PAYMENT**

The unit price bid per end section shall include the cost of all labor, transportation of the end sections from the NYSDOT yard to the site, equipment, and materials necessary to complete the work as specified in the contract documents. The cost of the restraining devices and their installation shall be included in the unit price bid for the end sections.
