DESCRIPTION: This work shall consist of furnishing and installing reinforced concrete horizontal elliptical pipe end section in accordance with this specification, contract documents and appropriate standard sheets.

MATERIALS: All appropriate requirements of Section 603-2 shall apply.

CONSTRUCTION DETAILS: All requirements of Section 603-3 shall apply.

METHOD OF MEASUREMENT: Payment will be measured as each end section furnished and incorporated into the work in accordance with the plans and specifications.

BASIS OF PAYMENT: The unit price bid shall include the cost of all labor, materials and equipment necessary to complete the work as specified in the contract documents. The cost of the restraining devices and their installation, required for concrete pipe shall be included in the unit price bid for the end sections.
