

ITEM 06606.7101 M - REMOVING & DISPOSING OF CABLE GUIDE RAILING AND STORING POSTS

All the requirements of Section 606 - Guide Railing of the Standard Specifications shall apply except as modified herein.

DESCRIPTION

Under this item the contractor shall remove and store the existing cable guide rail posts in accordance with the plans and as ordered by the Engineer and dispose of the existing cable.

MATERIALS

None specified.

CONSTRUCTION DETAILS

All the requirements of §606-3.08 shall apply, except that all usable posts shall be neatly stored at locations designated by the Engineer for future pickup by Department forces, or it's designee. The work shall be done in a workmanlike manner so as to salvage all usable posts. Posts shall be neatly stacked and secured to wood pallets with a maximum of fifty posts per pallet.

METHOD OF MEASUREMENT

The quantity to be paid for will be the number of linear meters of cable guide rail removed in accordance with these specifications and the orders of the Engineer.

BASIS OF PAYMENT

The unit price bid per linear meter of guide rail for the above item shall include the cost of furnishing all labor, equipment and material necessary to complete the work.

Payment will be made under:
