

ITEM 607.4061 06 - SECURITY FENCE GATE, 2440 mm HIGH

All the provisions of Section 607 pertaining to Optional Fence Gate (Double Leaf 4880 millimeter opening 2440 mm high) shall apply with addition to the following:

The security fence gate shall have 3 strands barbed wire consisting of 2 strands twisted no. 12 ½ gauge line wire with 4 point barbs on 75-mm (3") centers.

The barbed wire shall conform to the requirements of ASTM A 585, Class II.

Barbed wire support arms shall withstand a load of 11.4 kilograms (25 pounds) applied vertically to the outermost end of the arm.

The cost of the contractor to furnish and install the barbed wire shall be included in the price bid for this item.
