

**ITEM 03607.9701 M - POST AND RAIL FENCE**  
**ITEM 03607.9702 M - POST AND RAIL GATE**

**DESCRIPTION:**

Under this item the Contractor shall construct a post and rail fence in various sections and configurations, a gate, and locking mechanism at the locations and to the dimensions shown on the contract drawings.

**MATERIALS:**

**Posts and Rails**

- Post - 130 mm to 150 mm Diameter X 2.5 m Long.
- Rail - 130 mm to 150 mm Diameter X 5 m Long.
  
- Wood posts and rails shall be seasoned Southern Yellow Pine, Red (Norway) Pine, or Lodgepole Pine. All posts and rails shall be pressure treated with a water-borne wood preservative conforming to the requirements of 708-31 WOOD PRESERVATIVE - WATER BORNE. Wood posts and rails shall be sound, free from loose knots or decay, and with no through checks on tops or butts. Posts and rails shall be machine peeled to a smooth uniform appearance and free from all inner bark.
  
- The gate shall conform to the dimensions shown on the contract drawings and be constructed from the wood specified above.

**Fittings and Fasteners**

- Meeting the material requirements of 719-01 GALVANIZED COATINGS AND REPAIR METHODS, Type II.

**CONSTRUCTION DETAILS:**

The contractor shall furnish and install posts, rails, gate, and gate locking mechanism section plumb and true to the lines, grades, and limits established and according to the details as shown on the plans and as directed by the Engineer.

All work shall be completed in a workman-like manner and in accordance with acceptable construction practices to insure a neat and finished appearance.

**METHOD OF MEASUREMENT:**

The quantity of fence to be paid for shall be the number of linear meters of fence measured along the top of fencing, center to center of end posts furnished and placed as shown on the contract plans. No additional allowances shall be made for end or corner posts.

Payment shall be made at the unit price bid for each gate and locking mechanism furnished and placed as shown on the contract plans.

**ITEM 03607.9701 M - POST AND RAIL FENCE**  
**ITEM 03607.9702 M - POST AND RAIL GATE**

**BASIS OF PAYMENT:**

The unit price bid for various sections of post and rail fence, gate, and gate locking mechanism shall include the cost of furnishing all materials, equipment, and labor necessary to complete the work, including digging and backfilling post holes, fitting and cutting notches in posts, rails, and gate parts, trimming fasteners, fabricating gate locking mechanism, restoration of disturbed areas, and other incidentals necessary to complete the work in accordance with this specification and to the satisfaction of the Engineer.
