

## **ITEM 02608.0101 M - CONCRETE SIDEWALKS - AMERICANS WITH DISABILITIES ACT**

### **DESCRIPTION:**

This work shall consist of the construction of portland cement concrete sidewalks conforming to the requirements of the Americans with Disabilities Act, and in accordance with the details and Standard Sheets included in the contract documents. All work shall meet the applicable sections of the New York State Standard Specifications.

### **MATERIALS:**

Sections 304-2; 608-2; and 610-2 of the Standard Specifications shall apply. Subbase material shall meet the requirements of 304.05.

### **CONSTRUCTION DETAILS:**

Sections 203-01, 02, 03; 608-03; 610-3 and 613 of the Standard Specifications shall apply, except stockpiling of topsoil and subbase material shall be waived. Full-depth saw cutting of the existing sidewalk is required at the nearest expansion joint, as directed by the Engineer.

### **METHOD OF MEASUREMENT:**

Portland cement concrete sidewalks, under this item will be measured by the number of square meters of surface area of new sidewalk placed, as shown on the contract documents or as directed by the Engineer.

### **BASIS OF PAYMENT:**

The unit price per square meter shall include all the materials, equipment, and labor necessary to complete the work specified, including sawcutting, excavation, subbase course, topsoil, re-establishing turf, repair of the existing asphalt and concrete sidewalks. Payment will be made upon completion of all work at a given site.
