DESCRIPTION

This work shall consist of removing, replacing and caring for plants in kind that are dead, missing, or in an unhealthy or badly impaired condition as determined by the Regional Landscape Architect.

Replacement of planting applies to all planting listed in the contract documents unless otherwise specified. Replacement of planting shall begin immediately after the contract acceptance for each contract listed and according to the periodic replacement counts as determined by the Regional Landscape Architect and shall continue for the period of time specified in the Contract Documents.

MATERIALS

Materials shall meet the requirements of Subsection 611-2.

CONSTRUCTION DETAILS

The contractor shall remove all plants that are dead, missing or in an unhealthy or badly impaired condition, as determined by the Regional Landscape Architect in writing. Planting shall meet the requirements of Subsection 611-3 except for the following: Subsection 611-3.03 Period of Establishment does not apply.

METHOD OF MEASUREMENT

Subsection 611-4 shall apply.

BASIS OF PAYMENT

The unit bid for replacement of each planting of each kind, size, or quality shall include the cost of all labor, materials and equipment necessary to complete the work. All work and material related to planting replaced under this item will be included in this item. Furnishing water and watering plants as required under subsection 611-3.05 Care of Planting will be paid for under a separate item. No separate payment will be made for removal of existing plants that are dead or in unhealthy or badly impaired condition. The maximum bid for these items is limited to the amount shown in the itemized proposal. If a bid is entered in excess of this amount, the Department will reduce the amount to the maximum allowable bid. No negative bids will be accepted for this item. Should the bidder not follow the above requirements, the Department will make the necessary adjustment to determine the total amount bid based on the arithmetically correct proposal.
