

**ITEM 07615.0110 - M Concrete Picnic Tables (Handicapped Accessible) with Pads**

**Description:** This work shall include furnishing and placing picnic tables with pads at locations specified elsewhere in the contract documents.

**Materials:** The picnic tables shall be constructed of class A concrete or material meeting the requirements of section 706-04. All bolts, washers, nuts and connectors shall be galvanized steel unless otherwise approved.

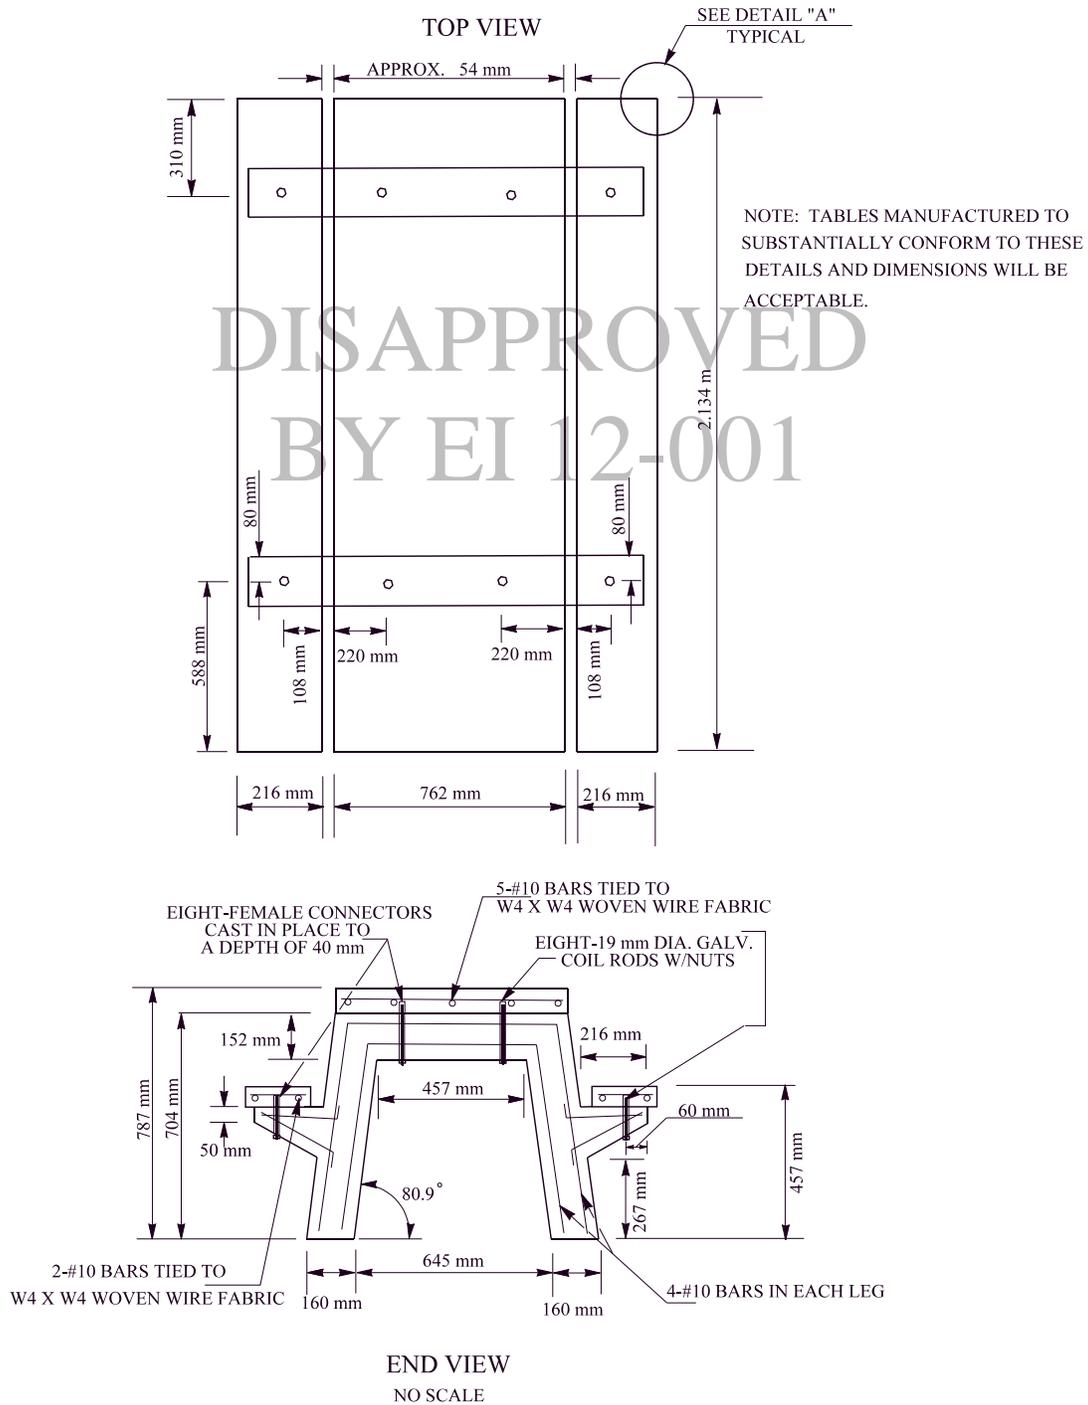

Table pads shall be Portland cement concrete as specified, and shall conform to the provisions of Section 608, Sidewalk, Driveways, Bicycle Paths, Brick Paving, Grouted Stone Paving and Precast Concrete Paving.

**Construction Details:** Picnic tables with pads shall be constructed and installed as shown in the contract plans.

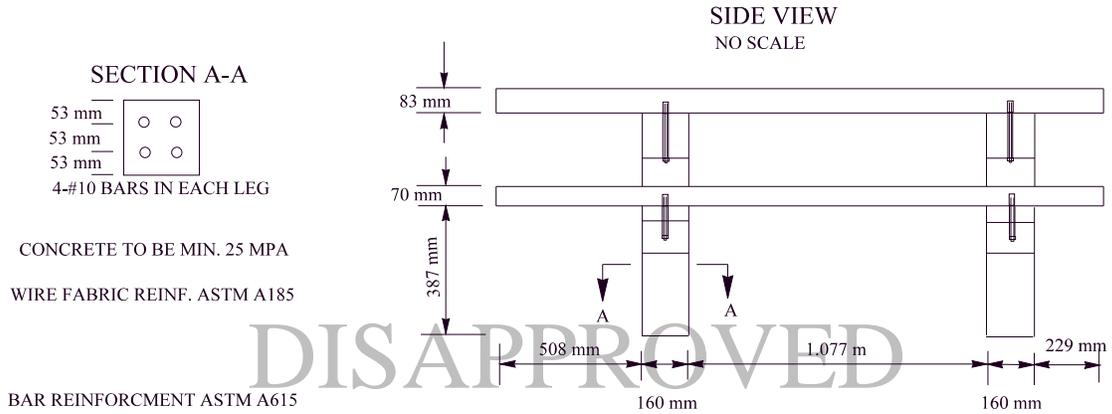

**Method of Measurement:** The quantity to be paid for shall be the number of units furnished and placed in accordance with the plans. A unit shall consist of one picnic table with a table pad.

**Basis of Payment:** The price bid for picnic tables with pads shall cover furnishing of all material, including concrete, bolts, connectors and reinforcement, assembly and placement to the satisfaction of the Engineer, and all labor and incidental expenses necessary to satisfactorily complete the work. Subbase material, Portland cement concrete, excavation, grading, labor and incidental expenses necessary to satisfactorily complete the work shall also be included.
