

ITEM 07615.04 M - TREE GUARD

DESCRIPTION:

This work shall consist of furnishing and installing tree guards at the locations shown on the plans or where directed by the Engineer.

MATERIALS:

The tree guards shall be "Tree Guard 108" as manufactured by DuMor, Inc., P.O. Box 142, Mifflintown, PA 17059-0142, or equivalent, as approved by the Engineer.

The tree guards shall have a black baked-on polyester powder finish.

CONSTRUCTION DETAILS:

Assembly of the tree guard components shall be performed in strict accordance with the manufacturer's recommendations for installation. All work shall be free of blemishes or defects which could affect durability, strength or appearance.

The tree guards shall be installed following the manufacturer's recommendations or as directed by the Engineer.

Paint shall be applied at the time of manufacture. The finish coat shall be uniformly applied to insure complete coverage of the primer coat.

The tree guard supports shall be attached to tree grates as per the manufacturer's standard installation instructions or as ordered by the Engineer. Payment for the tree grates shall be made under a separate item.

The Contractor shall protect all parts of the tree guards and maintain them in an undamaged condition until completion and acceptance of the Contract. Any sections damaged at any time prior to final acceptance shall be repaired or replaced at the Contractor's expense.

METHOD OF MEASUREMENT:

This work will be measured as the number of tree guards properly furnished and installed in accordance with the plans, specifications, manufacturer's recommendations, and directions of the Engineer.

ITEM 07615.04 M - TREE GUARD

BASIS OF PAYMENT:

The unit price bid for each tree guard shall include the cost of furnishing all labor, materials, tools, and equipment necessary to satisfactorily complete the work and shall include all nuts and bolts, including anchor bolts, required to assemble and erect the tree guards.

Payment will be made under:

Item No.	Item	Pay Unit
