## **ITEM 615.0520 10 – LITTER RECEPTACLE**

### **CONSTRUCTION DETAILS:**

The litter receptacles shall be installed in the positions and manner shown on the plans, according to the manufacturer's instructions, and as approved by the Engineer. The quantity and location of each shall be determined, prior to the Contractor ordering litter receptacles, by the Engineer, in consultation with the Regional Landscape Architect and/or the Regional Bicycle and Pedestrian Coordinator.

### **METHOD OF MEASUREMENT:**

This work will be measured as the number of litter receptacles installed in accordance with the plans, specifications, and directions of the Engineer.

### **BASIS OF PAYMENT:**

The unit bid price for each litter receptacle shall include the cost of furnishing all equipment, hardware, materials and labor necessary to complete the work.
