

## **ITEM 07615.0820 M - METAL BENCH**

### **DESCRIPTION:**

This work shall consist of furnishing and installing benches at the locations shown on the plans or where directed by the Engineer.

### **MATERIALS:**

The benches shall be "Bench 19-60" as manufactured by DuMor, Inc., P.O. Box 142, Mifflintown, PA 17059-0142, or equivalent, as approved by the Engineer.

The benches shall have a black baked-on polyester powder finish.

### **CONSTRUCTION DETAILS:**

Assembly of the bench components shall be performed in strict accordance with the manufacturer's recommendations for installation. All work shall be free of blemishes or defects which could affect durability, strength or appearance.

The benches shall be assembled and installed true to line and grade as shown on the plans or as directed by the Engineer.

Paint shall be applied at the time of manufacture. The finish coat shall be uniformly applied to insure complete coverage of the primer coat.

The bench supports shall be attached to anchor bolts embedded in concrete as per the manufacturer's standard installation instructions. Payment for excavation and concrete shall be made under their respective items.

The Contractor shall protect all parts of the benches and maintain them in an undamaged condition until completion and acceptance of the Contract. Any sections damaged at any time prior to final acceptance shall be repaired or replaced at the Contractor's expense.

### **METHOD OF MEASUREMENT:**

This work will be measured as the number of benches properly furnished and installed in accordance with the plans, specifications, manufacturer's recommendations, and directions of the Engineer.
