

ITEM 04615.10 M - RELOCATE HISTORICAL MONUMENT OR MARKER

DESCRIPTION: Under this item the Contractor shall remove, store and relocate existing onsite historical monuments or markers where indicated on the plans or where directed by the Engineer.

MATERIALS: Existing components of historical monuments or markers shall be reused for relocation. Any components which are damaged or lost shall be replaced at the Contractor's expense.

CONSTRUCTIONDETAILS: The Contractor shall carefully dismantle, if necessary, the existing monument and protect all components from damage. All surfaces shall be thoroughly cleaned to the satisfaction of the Engineer. Any existing foundation shall be demolished and removed from the site.

The relocated monument shall be set on a new foundation as shown on the plans.

METHOD OF MEASUREMENT: This work will be measured as the number of monuments or markers relocated in accordance with the plans or as directed by the Engineer.

BASIS OF PAYMENT: The unit price bid for the relocation of each monument or marker shall include the cost of all labor, materials, tools and machinery necessary to complete the work, - including any necessary excavation and backfill material.
