

## **ITEM 10615.1201 M - REMOVAL OF LITTER (BICYCLE PATH)**

### **DESCRIPTION**

This work shall consist of pick-up and disposal of litter along bicycle paths within the limits of work as shown in the contract documents or as directed by the Engineer. For the purpose of this specification, litter shall include items of debris such as coffee cups, cigarette packs, candy bar wrappers, etc. and larger items such as old furniture, appliances, car tires, etc. Litter shall also include any other illegally dumped materials such as building materials and landscape debris.

### **MATERIALS**

None specified.

### **CONSTRUCTION DETAILS**

Equipment for litter removal may be selected by the Contractor, but shall be subject to the approval of the Engineer and shall conform to all applicable local, State and Federal laws, regulations and codes. The work required to remove litter shall be performed in accordance with these specifications, the contract documents and to the satisfaction of the Engineer. The Contractor shall notify the Engineer 48 hours in advance of performing any work under this item. The Contractor shall supply all necessary flags, signs, and other devices to maintain and protect bike traffic. Work shall be conducted in such a manner that the bicycle path will not be damaged. All debris shall be removed and disposed of legally off the work site. The Contractor shall provide receipts for dumping to the Engineer. The Contractor shall take precautions to ensure that his employees are wearing protective gloves when performing this work.

The Contractor shall remove litter from each bicycle path at the times and intervals as specified in the Schedule of Operations as shown in the plans or as ordered by the Engineer.

### **METHOD OF MEASUREMENT**

This work will be measured by the number of kilometers of bicycle path from which litter is removed.

### **BASIS OF PAYMENT**

The unit price bid shall include the cost of all labor, materials and equipment necessary to complete the work. No separate payment will be made for maintenance and protection of traffic but this cost is to be included in the price bid for removal of litter. No payment will be made for cleaning any bicycle path until all work previously directed by the Schedule of Operations has been completed.
