

ITEM 10615.1501 M - REMOVAL OF LITTER (PUBLIC BUS SHELTER)

DESCRIPTION

This work shall consist of the pick-up and disposal of litter within the public bus shelters along various state routes within the limits of work as shown in the contract document or as directed by the Engineer. For the purpose of this specification, litter shall be defined as any litter item that is visible from a distance of three meters (e.g. coffee cups, cigarette packs, candy bar wrappers, etcetera). Emptying existing trash cans within the public bus shelters shall be included as removal of litter.

MATERIALS

None specified.

CONSTRUCTION DETAILS

Equipment for litter removal may be selected by the Contractor, but shall be subject to the approval of the Engineer and shall conform to all applicable local, State and Federal laws, regulations and codes. The work required to remove litter shall be performed in accordance with these specifications, the contract documents and to the satisfaction of the Engineer. The Contractor shall notify the Engineer 48 hours in advance of performing any work under this item. The Contractor shall supply all necessary flags, markers, signs, and other devices to maintain and protect traffic. Work shall be conducted in such a manner that the bus shelter shall not be damaged. All litter shall be removed and disposed of legally off the work site. The Contractor shall provide receipts for dumping to the Engineer. The Contractor shall take precautions to ensure that his employees are wearing protective gloves when performing this work.

The Contractor shall remove litter from each public bus shelter at the times and intervals as specified in the Schedule of Operations in the plans or as ordered by the Engineer. A list of work locations will be included in the contract documents.

METHOD OF MEASUREMENT

This work will be measured on an each basis for each public bus shelter, each time litter is removed.

BASIS OF PAYMENT

The unit price bid shall include the cost of all labor, materials and equipment necessary to complete the work. No separate payment will be made for maintenance and protection of traffic but this cost is to be included in the price bid for removal of litter. No payment will be made for this item until all work has been completed and pick-up of the litter has been completed.
