

ITEM 615.25XXYY01 – BUS SHELTER (XX METERS X YY METERS)

DESCRIPTION

Under this item, the Contractor shall erect prefabricated bus shelters of the type specified and at the location shown on Contract Documents.

MATERIALS

As specified under special note entitled “Bus Shelter”.

CONSTRUCTION DETAILS

Within 30 days following the award of the Contract, the Contractor shall submit to the Engineer for approval, drawings and samples of the material he wishes to install. Manufacturer warranties and guarantees normally given as customary trade practice of materials shall be assigned to the State of New York Department of Transportation.

The shelter shall be so erected as shown on the Plans, be true to line and grade, truly vertical and erected in a workmanlike manner. Any parts of the shelter damaged during delivery or installation shall be removed from the site and replaced by the Contractor at his own expense.

METHOD OF MEASUREMENT

The quantity to be paid for under this item shall be the number of shelters installed.

BASIS OF PAYMENT

The unit price bid for each shelter shall include the cost of all materials and labor necessary to satisfactorily complete the work.

XX: Width in meters and tenths of a meter.

YY: Length in meters and tenths of a meter.
