

ITEM 11615.4006 M - PAINT LINES - LAWN AND CLAY AREA

Description:

This work consists of applying painted lines in lawn and clay areas in accordance with the contract documents and the directions of the Engineer.

Materials:

Paint shall be vinyl-acrylic latex line marking paint similar to Series 9996/9997 Athletic Line Paint, color 67 white as manufactured by Mercury Paint Corp. Brooklyn, New York (718-469-6768); or Con-Lux Line-Plex as manufactured by Sherwin Williams (718-426-8813); or approved equal.

Color shall be white unless shown otherwise on plans.

Construction Details:

Lines shall be placed using the line marking machine Model 4000 Line Painter as manufactured by Jaydee Equipment Co. New Lenox, IL., or approved equal. All lines shall be clear and distinct with sharply defined edges.

All lines shall be .075m wide unless shown otherwise on the drawings.

Method of Measurement:

Paint lines will be measured as the number of linear meters of lines painted in accordance with the Contract Documents and to the satisfaction of the Engineer.

Basis of Payment:

The unit bid price shall include the cost of all labor, materials, equipment and incidentals necessary to complete the work in accordance with the Contract Documents and Directions of the Engineer.
