

## ITEM 05615.60xx M - MODULAR POOL AND FOUNTAIN

### Description

The Contractor shall furnish and install modular pool and fountain as shown on the plans or as directed by the Engineer. The Contractor shall verify the type, quantity, location and installation method for each modular pool and fountain with the Engineer (and in consultation with the Regional Landscape Architect), prior to ordering. This may include approval by owning or maintaining agencies other than NYSDOT.

### Materials

- A. Hardware - All hardware shall be as supplied by the manufacturer, as specified in the contract documents and as approved by the Engineer.
- B. The sizes and shapes of all modular pools and fountains shall be as specified in the contract documents.

### Construction Details

The modular pool and fountain shall be installed in the locations indicated in the contract documents, in accordance with the manufacturer's instructions and as approved by the Engineer.

### Method of Measurement

Payment will be made on an each basis for each modular pool and fountain installed to the satisfaction of the Engineer.

### Basis of Payment

The unit price bid for each modular pool and fountain shall include the cost of all labor, materials and equipment necessary to furnish and install the modular pool and fountain; including any and all incidental expenses necessary to complete the work as specified.

Payment will be made under:
